**The
Society
of SAINT
STEPHEN**

Thank you for taking time to learn about Historic St. Stephen, our German heritage church. We hope you have personally experienced the grace and splendor of our spiritual home. We hope you consider joining our mission in preserving, maintaining, and continuing to support this living memorial of an unmodified Victorian German Gothic church of the late 1800's.

The Society of St. Stephen is a 501(c)3 organization that is dedicated to this worthy cause. We are always looking for new members, accept financial or real property donations. We provide assistance in maintaining the facilities, provide educational materials, and sponsor community activities that contribute to the German population, the neighborhood, and the Diocese. Please contact us for more information on how to make your tax deductible contribution today. We will add a sustaining membership to our Society for a gift of \$100. Lifetime Memberships are given for your gift of \$1,000 and Gold Contributors are earned with gifts over \$10,000. Annual dues for the Society are \$25, and again we humbly thank you for making our Church a part of your walk with God.
