

Children's Program

Growing the Neighborhood

Hey kids!

Do you know why leaves change color in the fall?

Come find out about this and other changes happening in plants during this colorful season.

We have a fun craft for you to make and there will be refreshments afterwards. Please bring your adult

helper with you to this **Free Program** on **Saturday, September 14, at 11am to St. Stephen's Club Room!**

See you then!

St. Stephen Club Room located by parking lot off West 57th Street.

This project funded in part by a grant from Neighborhood Connections, a program of The Cleveland Foundation.
