

Growing the Neighborhood Cultural Gardens

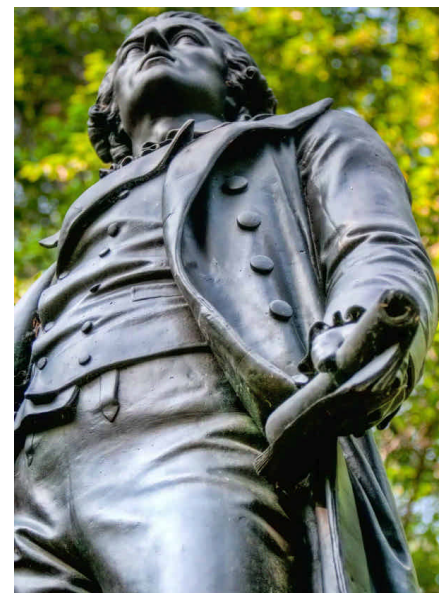

Join us **Thursday, February 16, at 7pm** in the Club Room at St. Stephen Church for a wonderful presentation by **Hans Kopp**.

Hans has a wealth of information about the Cleveland Cultural Gardens which he will share

with us. He will also highlight the German Garden for which he has a special fondness and will speak about plants that are common in Germany. Perhaps his talk will inspire you to add a bit of Germany to your garden this spring! The program is **FREE**, come and bring a friend!

We will meet in the St. Stephen Club Room.

(Look for the balloons.) A drawing will be held for a couple of door prizes. See you there!

Parking lot is accessible off W. 57th St

This project funded in part by a grant from Neighborhood Connections, a program of The Cleveland Foundation.
