

Growing the Neighborhood Greenhouses 101

Join us on Oct. 20th at 7pm
in St. Stephen's Club
Room for a great evening
with greenhouse expert,
Julio Castro! Julio will
share information and
answer questions, so
our spring
gardens
next

year
will be up and
growing in no time.

Julio's expertise about working with greenhouses and plants is gleaned from his many years of experience at Cleveland's Rockefeller Park Greenhouse and Cultural Gardens. Handouts from last month's program, building low-cost greenhouses, will also be available.

"Who loves a garden loves a greenhouse too."

-William Cowper (1731-1800)
