

Children's Program Potatoes!

Hey kids, we eat potatoes all the time. But just how much do you know about them? Join us for a FREE program on Saturday, Nov. 12 at 11am in St. Stephen's Club Room to learn some really interesting and fun facts about potatoes. We'll even make the energy in a potato power a clock! Please bring an adult helper along!

St. Stephen Club Room located by parking lot off West 57th Street.

This project funded in part by a grant from Neighborhood Connections, a program of The Cleveland Foundation.
